RE: C00243428 ? Andrews for Congress

Dear Ms. Davis:

I am in receipt of your Request for Additional Information dated October 29, 2013.

Your request did not list specific instances where this committee failed to provide the adequate identifying information for our contributors. Based on my review of the report I was not able to identify all of the errors or omissions that your request references. I was able to provide additional information for some contributors who contributed in excess of \$200.00 in this election cycle. It was information that was in my possession at the time that I filed the New July Quarterly report, but that may not have saved properly as I entered the data into my campaign software.

If you believe that additional information is still required, please let me know and I will make additional changes. If you have any further questions, please do not hesitate to contact me at 908-208-6956.

Very truly yours,

Robyn A. D. Ferdinand
Treasurer
Andrews for Congress Committee
